

List of Rambert productions

The following is a list of productions performed by Rambert throughout the Company's history. General information, reviews and photographs on most of these works may be located in the Archive. An asterik * after the title means the work was created for Rambert. In this listing the title of the production is followed by the name of the choreographer and the date of first performance by Rambert.

Title	Choreographer	Date of Rambert première
A
