

## Rambert History Infographic Posters

### Conditions of Use

- The nine infographic posters are freely available for **non-commercial use in their entirety**. They can be printed or viewed online, in their entirety.
- All the photographs and images in the infographics are in copyright. The copyright owners have given Rambert permission to reproduce these images as part of the posters, but not for wider use. Therefore, copying images and using them external to the posters is an infringement of the copyright.

### Errata

- 1920s poster: In the box about *A Tragedy of Fashion*, the credit for the photograph of Marie Rambert and Frederick Ashton (bottom left) should be **Studio Yevonde © Mary Evans Picture Library**.
- 1940s poster: In the box about *Peter and the Wolf*, the set/costume designer's name is misspelled. He was **Guy Sheppard**.
